

**The AAUW-WA Image and Story:
Who We Are and What We Do**

"Leading the way to equity for women and girls in Washington State"

By working to close the gender gap in STEM careers

By sponsoring conferences to encourage girls to excel in math and science

By making positive role models available for girls

By honoring girls who excel in science and math

By providing opportunities for AAUW fellows to interact with girls

By advocating for funding for STEM career opportunities

By working to close the pay gap

By sponsoring "Start Smart" workshops on college campuses

By advocating for equal pay laws

By holding Equal Pay Day events

By working for the best education for all students

By advocating for meaningful education reform

By advocating for adequate, consistent education funding

By working with local schools to enhance opportunities for students

By working for comprehensive, medically accurate sex education

By providing scholarships for girls

By working for equity for women and girls in their daily lives

By advocating for meaningful Title IX enforcement

By advocating for equity in community facilities
